**News bulletin** 13 November, 2008 Alfaz del Pi

**9** months after the creation of our Association we are a group of 400 people and you collected 2000 signatures to complain against the wrong practices of Alfaz del Pi.

During our meeting with Vicente Arques on August 26th we got the confirmation that we would get access to the public information about the development plan PAI Plà de la Serra, but we're still waiting, and several of our neighbours who sent letters via their lawyer still haven't received an answer.

Our Mayor promised us to reach out to the people and to start a dialogue about the plans to double our village: have you seen this dialogue?

Recent news is that the large Urban Development plan in the Village of Parcent was rejected by the water authorities due to the lack of water available.

Another recent news event is that various Mayors got arrested for corruption in relation to taking commissions from housing developers.

We learned from the press about the plans to modify the urban development plan Plà de la Serra. As the Mayor didn't invite us to start a dialogue with our association, we reached out to him and got an appointment for Monday 24 November.

**On Saturday 22 November at 18:15pm we will have a closed meeting at Fandango's** which is located behind the Golf course / Cricket, at Calla Pau Casals in Albir.

This meeting will be open only for neighbours of PAI Plà de la Serra who have paid for the Lawyer, and the objective is to discuss the likely impact to each of the neighbours, with respect to the published changes to this plan, and to discuss our next legal steps.

We have meanwhile people associated to us in relation to other development plans in our village, and people affected who may lose their house as a consequence of the new coastal law. For our other members as well as for people interested and/or having questions about the development plans in Alfaz del Pi we're organising an Open House:

**OPEN HOUSE: Sunday 23 November at 11am at the address of our association, with David Byrne, at Carrer de la Serra, 31 in Albir.**

We're looking forward to meeting you and hope that you can bring even more signatures with you!
